

North American Accreditation Body

**Accreditation Certificate**

Here with confirms that

Certification Body: **Alliance Registrar and Inspection Services Inc.**

Corp Office: 21 Burke Brooke Pl. Suite 115, Toronto, Ontario, M4G, OA2, Canada

Has fulfilled the requirements of ISO/IEC 17021:2015 and relevant normative documents and is competent to certify:

Management System according to:

➤ **Quality Management System ISO 9001:2015**

Within the scope of accreditation mentioned in the annex.

Registration No: **101201**

Initial Accreditation Date and Place: January 12, 2010 - ON, Canada

Current Accreditation Date and Place: March 20, 2023 - ON, Canada

Expiry Date: **March 19, 2026**

Validity of Accreditation Certificate depends on continuity of compliance with the relevant requirements and obtaining the approval based on the annual surveillance assessment.

Scope of supplier products, processes, and services for which the registrar is authorized to issue registration under this accreditation as attached.

## ***Alliance Registrar & Inspection Services- Halal Certification Agency***

Authorization letter to issue certification under the following guidelines, with regard to Organization of Islamic Corporation (OIC) regulations for Halal Products and use of Halal logo, your operation was entrusted with the following responsibilities for supervising the certification of Halal process in worldwide on ISO/IEC 17065 Product certification Scheme (1a):

1. Inspection and approval of all slaughter plants to ensure that the meat produced from those plants was Halal and fit for the consumption of all Muslims.
2. Muslim slaughter men and/or workers must be selected by Alliance Registrar and Inspection Services-ARIS and trained to perform the Halal slaughter in accordance with the Islamic rites.
3. Inspection and supervision of the whole Halal slaughter at the Abattoirs

The following conditions for Halal certification by Alliance Strategic Registrar-ARC Corp. are the standards to be followed by the Abattoirs and other Food and related Manufacturing Industries in order to produce Halal Food for the Muslims:

1. Animals will be blessed by Muslims recommended and authorized by Alliance Registrar Canada qualified auditors or by its designated agent in the country;
2. Any stunning shall be only to render the animal unconscious momentarily and is not to cause death. This is established by Agriculture Canada requirements and sworn to by the Veterinarian in charge for slaughter operations.
3. The animals are to be cut immediately after stunning to ensure bleeding time in excess of 90 seconds or less.
4. The Halal identification is to be monitored and strictly regulated to ensure it is affixed only to the products from the life ended-animals.
5. Alliance Registrar Canada representatives, have the right of access to the business premises without prior notice to ensure that the requirements are being adhered to.
6. Any Halal certification shall be limited to only the Halal operations and not a blanket certification of all meat producing operations.
7. Shall terminate the Halal certification if the producer fails to make its products Halal.

In its standards for Halal certification, Alliance Strategic Registrar-ARC will treat all producers and distributors equally, whether they are Muslim or Non-Muslim.

All of the Advertisement of Halal Logo should be done as per Halal Advertising Guideline and Alliance Strategic Registrar-ARC monitor's all of the requirements & products as per this guideline.
